Halleuy! How you goin'? If dummies and nappies are your thing, you should apply for our 3 month exchange with Sydney Children's Hospital in Randwick, Australia. Previous residents have done their 3 month "terms" in either ICU or emergency as "registrars". Experience more responsibility, more procedural skills, and a parallel private system at work while soaking in more ozone-free rays, squeaky white beaches, and wild ocean coastlines away from it. Make lasting friendships that span the globe as you trade lives, cultures, and homes with your exchange.
